WORK EXPERIENCE PROGRAM

Cleaning/Janitorial & Food Service

2021 SESSIONS:
March 23- May 27, 2021
June 8 - August 12, 2021
September 7 - November 11, 2021

The Els for Autism Work Experience program is for adults with autism and other related disabilities ages 18+ who have completed high school. The program helps participants who have a goal of paid employment and teaches them to work independently by the completion of this community-based work experience program.

Program applicants must be willing to become customers of Vocational Rehabilitation and list Els for Autism as their Vendor upon program completion.

Program applicants must be ready to search for employment upon program completion and be willing to work 12-15 hours a week.

Participants will:

- Gain valuable work experience within the Facilities/Janitorial and Food Service employment sectors
- Enhance social skills in the workplace
- Learn skills to seek employment upon completion of the program
