

# Spring Into Action: Together

Spring Into Action: Together is a caregiver implemented early education program for children 18 months to 3 years of age who are demonstrating social and/or communication delays.

Caregivers will learn valuable strategies to support their child's learning and growth, while participating in fun and structured activities.

## PROGRAM SCHEDULE

- 2 times per week for 4 weeks
- Day and time subject to availability

## PROGRAM INFORMATION

- This research program is being offered at no cost to participants
- You will be compensated for your time
- Participants must join us for the entire four-week program
