Liezl's 11th Annual Tea Party

BENEFITING ELS FOR AUTISM

Dear Friend,

On Thursday, March 7th, 2019, I would like to cordially invite you to my 11th Annual Tea Party. Join us as we celebrate the theme of Australia in honor of the 2019 Presidents Cup where my husband, Ernie, will be the Captain for the International Team.

Over the 11 years, we have enjoyed many different themes from around the world and celebrated the cultures of England, France, Greece, India, Morocco, South Africa, and Spain, to name a few. As we plan for the culture of Australia, I can assure you it will be an enjoyable event! If you have not had the pleasure of attending one of our past tea parties, know that we dress to the country's culture and enjoy the best of the country's cuisine. Australia will be a tea party theme you will not want to miss!

We couldn't be more excited to host this year's tea party at The Els Center of Excellence™ campus so you can experience, firsthand, how the vision is becoming a reality. Help us kick-off another year of fundraising that will enable the Foundation to continue to develop the campus!

I hope to see you on March 7th.

Liezl Els
