

Self-Advocacy TRAINING PROGRAM

BENEFITS

OF SELF-ADVOCACY TRAINING

- Prepares participants to better communicate strengths, abilities, and interests when interviewing or exploring post-secondary educational opportunities
- Learn how to effectively represent themselves and make important decisions that affect their lives directly
- Gain valuable skills that increase confidence and self-esteem
- Develop greater independence and self-empowerment
- Provides relevant tools that can be utilized when transitioning from high school
- Participants will have the opportunity to highlight their strengths and skills while identifying reasonable accommodations necessary for success, through the creation of a self-awareness portfolio
- Participants will document their skills and abilities through evidence and letters of recommendation within a professional portfolio
