

Opportunity

Position: Day Program Personal Care Aide
Reports to: Adult Day Training Program Coordinator

Full-time (40 hrs/wk) and
Part-time (30 hrs/wk)

Why join our team?

We impact the lives of individuals and their families every day. We influence and support autism acceptance and appreciation worldwide. Come join our innovative, dedicated, and passionate team in delivering and facilitating programs, services, education and supporting individuals and families impacted by autism across the globe.

Importance of Role

The Personal Care Aide ("PCA") will utilize evidence-based practices for individuals with autism spectrum disorder (ASD) and related developmental disabilities to assist participants and carry out the goals of the program. The PCA will need to be able to actively participate and assist participants during volunteer projects and instructional classes while out in the community and on-site. In addition, the PCA will actively participate in a variety of physical activities such as fitness, swimming, and golf. The PCA will support clients in programs both at The Els Center of Excellence and during outings across community-based settings.

Opportunity
