THE SPOKEN WHEEL SOCIETY

LED BY AN INDIVIDUAL WITH AUTISM, FOR
OTHER INDIVIDUALS WITH AUTISM

The Spoken Wheel Society is a social group for adults with autism led by an adult with autism.

Each month the group meets for two hours at The Els Center of Excellence Campus to participate in interactive games and a potluck meal.

The group also makes plans for a monthly Saturday off-campus event, for activities like bowling, mini-golf, movies, restaurants, or an arcade.

The off-campus events are not supported by Els for Autism staff and group members must be able to navigate community environments safely and independently without support.
