

ELS FOR AUTISM FOUNDATION® PROGRAMS & SERVICES

Movin' and Groovin'

SUMMER BREAK ADVENTURE CAMP

JULY 5 - JULY 28, 2023

Movin' and Groovin' Summer Camp is a fun-filled recreational experience for children and young adults ages 6-21 held at The Els Center of Excellence® campus. The camp includes introductory recreational activities including golf, yoga/fitness, art, music, and kickball, as well as off-site field trips.

Highly skilled staff in the areas of recreation, speech-language intervention, behavior analysis, special education, music therapy, and sports/fitness will work with participants to build social, motor, communication, and regulatory skills.

Note: This camp is designed for leisure/recreational purposes and will not engage participants in academic and/or therapeutic activities specific to their IEP.

Participant-to-staff ratio is 3:1. All participants must complete the Recreation Services intake process (exempt if a current Rec Services client), and those participants who need more supervision and support to actively participate may be approved to attend camp with an accompanying 1:1 companion.
