

Planned Giving

YOUR LEGACY, OUR COMMITMENT

Be a forever support system to continue creating **limitless possibilities** for generations to come.

Your **story** and **vision** will live on through our global mission.

Take care of your **priorities** - yourself and loved ones - now, while providing for Els for Autism in the future.

The global mission of Els for Autism is to transform the lives of people with autism and those who care for them through lifetime services and collaborative partnerships.

Els for Autism was established in 2009 by Liezl Els, Ernie Els, and Marvin R. Shanken. The Els' son, Ben, is impacted by autism spectrum disorder (ASD), which affects one in 36 children in the U.S. We aim to become a world leader in transdisciplinary customized programs for individuals with ASD, develop an employment training model for all abilities across industries, implement, research, and disseminate evidence-based interventions, ensure long-term sustainability, and recruit and retain highly qualified staff.

CREATE A LONG-LASTING IMPACT
