

Els for Autism

2024 Movin' and Groovin' SUMMER CAMP

Movin' and Groovin' Summer Camp is a fun-filled recreational experience for children and young adults ages 6-21 held at The Els Center of Excellence® campus. The camp includes introductory recreation activities including golf, yoga/fitness exercises, art, music, and kickball, as well as on- and off-site field trips.

Highly skilled staff in the areas of recreation, speech-language intervention, applied behavior analysis, special education, music therapy, and sports/fitness will work with participants to build social, motor, communication, and regulatory skills.

Note: This camp is designed for leisure/recreational purposes and *will not engage participants in academic and/or therapeutic activities specific to their IEP.*

Participant-to-staff ratio is 3:1. Participants new to Recreation Services must complete the Recreation Services intake process, and those participants who need more supervision and support to actively participate may be approved to attend camp with an accompanying 1:1 Support Assistant.
